

## **Ouagadougou March 2020**

### **Greetings to all our soroptimist sisters in Denmark**

SI Princess Yennega congratulate and thank the 30 Danish Soroptimist clubs for raising such a huge amount (25.660 Euro) in order to support the school meals in Burkina Faso in 2020.

We, SI Princess Yennega, wish you all a good and successful annual Moving the World to End Hunger meeting. We extend our greetings, thanks and gratitude to the soroptimists attending this meeting.

We appreciate the good partnership between our clubs, a partnership which we need so much, specially now, due to the current problems of insecurity in Burkina Faso. But we believe in the resilience of our communities affected by terrorism.

All our best regards  
SI Princess Yennega
