

SI Finland, together with the Soroptimists in the Turku region, is delighted to warmly invite you to Nordic Days 2026, taking place from Friday 21 August to Sunday 23 August 2026 in Turku, Finland.

The theme of Nordic Days 2026 is Our Health and Future – the holistic health of women, which is also the SIE theme for 2026–2029. Building on work agreed already in early 2025, Women’s Health Hub Finland, the city of Turku as Finland’s medical capital, and we Soroptimists—together with our shared networks—are carrying out valuable international work for women and girls. At the Nordic Days 2026 seminar, we wish to highlight this impact and inspire meaningful dialogue.

The keynote presentations on the seminar day will raise awareness among Nordic participants and offer opportunities for open discussion between experts and stakeholders, in the true Soroptimist spirit of learning, sharing, and friendship.
